

# W@W Study Day

**Saturday 13 May 2017 - 9.30am-3.30pm**  
**@ Hyde Park hall, 2 Park Street, Hyde Park**

We invite you to join us for a special day of song, surprise, discussion, exercise, prayer, laughter - and of course, simple, healthy food ... and the opportunity to swap garden produce and other goodies!

Sue Catchlove plans to share her thoughts to the theme:

## ***Open eyes – open heart – open hands***

*... paying attention to our Creator and His wonder-FUL masterpieces.*

*The reverent fear of the LORD, that is, worshipping Him and regarding Him as truly awesome, is the starting point of knowledge ... Proverbs 1:7*
